

SURRY COUNTY BOARD OF ELECTIONS MOVES TWO POLLING LOCATIONS

The Surry County Board of Elections, at their February 22, 2010 meeting passed resolutions to move two polling locations.

ELDORA polling location was moved from the Eldora Ruritan Building at 2078 Ararat Road to **Fellowship Baptist Church** at 1421 Little Mountain Church Road. This move was necessary because the existing location was not ADA compliant and there was not adequate voter parking. 2162 voters will be affected.

Mount Airy #7 polling location was moved from the White Plains Recreation center at 998 Old Highway 601 to the **White Plains Ruritan Building** (former White Plains Volunteer Fire Dept.) at 990 Old Highway 601. This move was necessary because the existing building was destroyed and the new location is an adjacent building on the same property. 1067 voters will be affected.

These changes are effective immediately. All voters in these precincts will be mailed a letter informing them of their new voting location.
