

Surry County Water Survey

Surry County is currently undertaking a survey to determine if there is any local interest in having public water service to _____.

If sufficient interest exists, the County will try to determine an economically feasible way to extend services to areas where the need exists. We request that you complete the following survey and provide appropriate information where requested. If you do not know the answer to any question, you may leave the question blank. If you need assistance in completing the survey, you may call the Water & Sewer Projects Coordinator at 401-8350.

1. Please check the type of water service your facility currently uses:

- On-site privately owned well
- Community owned well
- Other – please describe

2. Please indicate the land use of your property:

- Residential
- Retail business (walk-in shops of any type, open to the public)
- Commercial business (sales to the business community)
- Manufacturing business (manufacturing of products of any type)
- Service business (professional, technical, or labor services)
- Government or Municipal offices (local, state, or federal offices)
- Restaurant or Food Service
- Other – please describe:

3. Is your current water service providing an adequate quantity and quality of water:

- Yes
- No

If “No”, please explain: _____

4. Do you have any plans to expand or repair your existing water service? If yes, please describe:

- Yes
- No

5. Do you have plans to expand or change your business in the near future:

- Yes
- No

If "Yes", please provide amount of planned investment and number of new jobs:

6. If public water service is made available to you, would you be interested in having a tap provided?

- Yes
- No

7. If you are interested in water service for your business, please indicate the approximate amount of water used by your facility in a month. If you do not know how much water you use, please provide us with a number of employees, total floor space, or other information to help us determine the amount of water you require.

Gallons Per Month (estimate): _____
Number of employees: _____
Building Area (square footage): _____
Other Information: _____

8. Do you have specific needs for water related to volume available for manufacturing, pressure for sprinkler systems or other fire flow systems, or water quality for manufacturing purposes? If so, please describe:

9. Do you currently pay a fee for water service? If so, please describe:

Surry County appreciates your taking the time to complete this survey. Once completed, please return the survey in the envelope provided, or use the return address shown at the end of the survey form. Your responses to the survey will be used only for planning purposes by the county offices. Please provide the following information if you would like a county representative to contact you about the possibility of having water service.

Name: _____

Address: _____

Phone: _____

Please return this survey to:
