

RECRUITMENT ANNOUNCEMENT

The County of Surry is accepting applications for the position of **Public Works Trainee**. This position trains to perform specialized skilled work in the operation of motorized heavy equipment to dispose of refuse in the County sanitary landfill, assists in equipment and facility maintenance and collects containers with solid waste and recyclables from convenience centers and other locations.

JOB REQUIREMENTS: This position will train to operate a variety of complex heavy equipment at the County sanitary landfill to spread, pack and cover refuse and debris. Work includes grading, seeding, and policing the site for erosion control and beautification purposes; directing the public in the disposal of trash and the recycling operation; and performing maintenance on all equipment and facilities. Work exposes the employee to the usual hazards and unpleasant working conditions associated with landfill work. Work is performed under the general supervision of the Landfill Supervisor and is evaluated by the care exercised in the operation of equipment and the completeness with which departmental regulations and instructions are followed. Employee also trains and assists in the collection of solid waste and recycling material and delivery of material to the landfill. Employee will be required to keep their vehicle clean and maintained. This position is intended to work toward reclassification of Equipment Operator, Truck Driver or Equipment Mechanic.

SALARY RANGE: Grade 60 \$30,114 - \$48,661

Applicants may request an application from Ricky Hawks or Jessica Montgomery (336) 401-8375 and return the application to Ricky Hawks or Jessica Montgomery at 237 Landfill Road, Mount Airy. Applications will also be taken at NC Works Career Center, 541 W. Pine Street, Mount Airy, NC (336-786- 4169), by going online to the Surry County Human Resources job posting page, printing the application and e-mailing back to the indicated email, SCJobs@co.surry.nc.us or by contacting Surry County Human Resources at 336-401-8221. A complete list of duties and analysis of physical demands will be available upon request.
