

Case Update:

Surry County now has 200 confirmed cases of COVID-19 and 2 COVID-19 related deaths. The Centers for Disease Control and Prevention (CDC) has defined recovery from COVID-19 as resolution of fever without the use of fever reducing medications with progressive improvement or resolution of other symptoms. According to this definition, Surry County has 110 recoveries.

<u>Surry County Cases</u>	<u>Surry County Deaths</u>	<u>Surry County Recovered</u>	<u>NC Cases</u>	<u>NC Deaths</u>	<u>NC Tests Completed</u>	<u>US Cases</u>	<u>US Deaths</u>
200	2	110	26,488	859	391,231	1,719,827	101,711

Weekly Updates:

- Surry County Health and Nutrition Center is once again partnering with Northern Regional Hospital and Hugh Chatham Memorial Hospital to offer mass testing on a first come, first serve basis on Monday, June 1, 2020 from 8 am until 12 pm. This will be drive thru testing, and insurance may be billed for those with insurance. There will be 3 testing sites:
 - Northern Regional Hospital—in parking lot at the corner of S. South & Haymore Streets
 - Hugh Chatham Memorial Hospital—enter through southern entrance on Parkwood Drive across from Pruitt Health.
 - Hugh Chatham Express Care, Dobson—in parking lot located at 911 E. Atkins St. Dobson, NC
- Remember your 3 Ws: Wear, Wait, Wash
 - Wear a cloth face covering if you will be with other people.
 - Wait 6 feet apart. Avoid close contact.
 - Wash your hands often with soap and water for at least 20 seconds or use hand sanitizer.

Protective Measures:

In order to further protect yourselves and your loved ones, we would like to remind you to:

- Avoid contact with people who are sick.
- Stay home when you are sick, except to get medical care.
- Cover your cough and sneezes with a tissue and dispose of the tissue.

- Clean frequently touched surfaces and objects daily (e.g., tables, countertops, cell phones, computers, light switches, doorknobs, and handles) using a household detergent and water.
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing. If soap and water are not available, and if your hands are not visibly dirty use a hand sanitizer that contains at least 60% alcohol.
- CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), **especially** in areas of significant community-based transmission
 - Cloth face coverings (not surgical masks or N95 respirators) should:
 - fit snugly but comfortably against the side of the face
 - be secured with ties or ear loops
 - include multiple layers of fabric
 - allow for breathing without restriction
 - be able to be laundered and machine dried without damage or change to shape

Further information about COVID-19:

Residents with general questions about COVID-19 can call NC 2-1-1 by dialing 2-1-1 or 888-892-1162. We'd also urge Surry County residents to seek information regarding COVID-19 from credible sources such as NCDHHS.gov or CDC.gov or visit NCDHHS and CDC on Facebook or Twitter!

If you leave home, know your Ws!

WEAR
a cloth face
covering.

WAIT
6 feet apart. Avoid
close contact.

WASH
your hands often or
use hand sanitizer.
