Requests from the Assistant County Manager:

- Approve a request from Sheriff Hiatt to award a service weapon and badge to a retiring officer.

Chairman Johnson declared the meeting to be an open forum and invited members of the audience to address the Board on any matters of civic concern.

Pamela Bledsoe spoke from the Service Center about the complaints she brought to the Board's attention at a previous meeting regarding a neighbor with many animals and loose garbage. The neighbor lives on Galax Trail in Mount Airy. She told the Board she has received several letters from neighbors and friends referencing the same issue. Ms. Bledsoe said the problem has not improved and vultures, skunks, feral cats and a bobcat have scavenged through garbage that comes from the residence. She said that she has pictures of the animals to share with the Board. Ms. Bledsoe said that she and other neighbors have spoken with the problematic neighbor and they did not care to make any improvements.

Jennifer Adams, a neighbor of Ms. Bledsoe, spoke from the Service Center in support of Ms. Bledsoe's comments. Ms. Adams spoke about issues with the same problematic neighbor and said she has another neighbor with a microfarm that causes noise problems and bad odors.

Delores Taylor, a neighbor of Ms. Bledsoe, spoke from the Service Center about the same problematic neighbor. She requested a County ordinance to address the issue and said she has pictures to share with the Board.

Jonathan Sutphin, Westfield Fire Chief, spoke from the Board Room about Westfield Volunteer Fire Department's major renovation and expansion project. He said that the project should be complete by July 1, 2020. Fire Chief Sutphin invited the Board to a dedication ceremony on Sept. 19, 2020 at 10 a.m. to speak and participate.

There being no further comments, Chairman Johnson closed the open forum.

Penny Harrison, Tax Administrator, presented an item requesting approval of new private roads, private road name changes and corrections of private road names. The roads included: Branscome Trail, Copper Trail, Tom Collins Lane, Love Farm Lane, Hazel Mae Trail, Marvins Farm Way, Belle Harvey Trail, Shrum Farm Lane, Truetts Trail and Roosevelt Lane.

Chairman Johnson declared a public hearing and requested comments from the public.

There being no comments, Chairman Johnson closed the public hearing.

The Board and Ms. Harrison discussed how the roads were named and how citizens on each road must agree to the road names.

Upon motion of Commissioner Marion, seconded by Commissioner Goins, the Board voted unanimously to approve the new private roads, private road name changes and corrections of private road names for Branscome Trail, Copper Trail, Tom Collins Lane, Love Farm Lane, Hazel Mae Trail, Marvins Farm Way, Belle Harvey Trail, Shrum Farm Lane, Truetts Trail and Roosevelt Lane.

Mr. Knopf reviewed the budget process for FY 20-21 and a summary of the Board's discussion regarding the recommended budget that was discussed during the June 9, 2020 budget work session. The changes included reducing the public schools ADM current expense from \$1,210 per student to \$1,190 per student for a total reduction of \$210,520, a \$6,000 increase for Grace Clinic, a \$52,412 increase for the Health Department (50 percent to be paid from Health Fund Balance) and a

\$11,110 reduction to Policy and Administration. The changes lowered the recommended budget figure to \$78,702,753.

Chairman Johnson declared a public hearing and requested comments from the public.

Each speaker spoke from the Board Room.

Dr. Myra Cox, Elkin City Schools, reviewed a letter of concern that she sent to the Board. She discussed three plans that school systems must submit to the Department of Public Instruction regarding reopening and additional costs associated with COVID-19 prevention. Dr. Cox said Elkin City Schools will have budget shortfalls from state and federal funding. She said that Elkin City Schools had already made special capital project cuts and asked the Board not to cut the ADM allotment.

Dr. Kim Morrison, Mount Airy City Schools, discussed additional costs that schools had incurred during COVID-19, including online training, an increased number of meals provided, an increase in school nutrition staff payroll and an increase in bus fuel to deliver meals. She said that while schools saved on electricity and water costs during COVID-19, the additional costs surpassed the savings. Dr. Morrison also discussed additional costs associated with required COVID-19 prevention items. She asked for no cuts to ADM allotment and special capital projects funding, which she had requested in a letter of concern that she sent to the Board.

Dr. Travis Reeves, Surry County Schools, provided the Board a letter of concern about the budget, which went into detail about how much the proposed cuts would affect the Surry County Schools budget. He said the total cuts would reduce the Surry County Schools budget by approximately \$780,897. Dr. Reeves said that while electricity costs were lower during COVID-19, the additional costs of meals, bus fuel to deliver meals and required COVID-19 prevention items incurred more costs for the school system. He asked for no cuts to the ADM allotment and special capital projects funding and he also asked the Board to fund the supplement at the \$255,000 budgeted last year.

The Board discussed in detail their viewpoints on school funding.

Chairman Johnson said the County is in unchartered territory and said he would stick with his position of cutting the ADM allocation to \$1,190, but he would consider providing the schools more funding if it becomes available.

Commissioner Goins echoed Chairman Johnson's thoughts.

Commissioner Harris discussed with Dr. Reeves and Donna Bryant of Surry County Schools details about meals that have been delivered during the COVID-19 pandemic. Commissioner Harris said he thought he saw people getting meals who weren't students. He also stated that one year ago Mr. Knopf recommended an ADM of \$1,190 and the Board increased it to \$1,210, so the County is back to the County Manager's recommended FY 19-20 ADM allotment. Commissioner Harris said he would hold at the \$1,190 per student allocation.

Commissioner Marion echoed Chairman Johnson's comments about unchartered territory. He said we had to eliminate filled positions and the budget process has been tough, causing him to lose sleep. Commissioner Marion said if there is more funding available later, that the Board might be able to provide that to the schools.

Commissioner Tucker thanked the County staff for their work on the budget and said that the County used a reduction in force to

mitigate possible impacts from the COVID-19 pandemic. He said the County still has hurdles on the horizon, possibly including a new jail and many other expenses. Commissioner Tucker said the County is in crisis and survival mode. He said school enrollment has been declining for the past several years, which affects funding. Commissioner Tucker said the Board may have to look at the overall school picture if the enrollment decline continues. He said the schools did not receive a 10 percent cut like some other agencies.

Commissioner Tucker and Dr. Reeves discussed the reasons for declining enrollment, which include more children being homeschooled, more charter schools and a lower birth rate. Dr. Reeves discussed how the local school systems are working to try to get more homeschool children into public schools.

Joan Sherif, Northwestern Regional Library system, sent the Board a letter requesting the Board provide more funds to the library system if more funds become available later in the fiscal year.

Following the comments, Chairman Johnson closed the public hearing and asked the Board for any more discussion.

Upon motion of Commissioner Tucker, seconded by Commissioner Harris, the Board voted unanimously to accept the County Manager's budget ordinance with the following changes:

- Decrease Public Schools Current Expense ADM from \$1,210 to \$1,190;
- \$6,000 increase for Grace Clinic;
- \$52,412 increase from the Health Department (50 percent to be paid from Health Fund Balance);
- \$11,110 decrease for Policy and Administration;
- Increase household availability solid waste fee by \$3 from \$42 to \$45;
- New fee schedules for EMS, the Fire Marshal and HazMat, which were presented by the County Manager at the June 1, 2020 Board meeting. No fee changes were made to the recommended fees. The fees are included in the recommended and adopted budget books for FY 2020-2021.;
- 7 percent rate increase for the Flat Rock/Bannertown Water & Sewer District;
- County reduction in force; and
- 10 percent decrease in contributions to various outside agencies.

SECTION 43. The Assistant County Manager is instructed to approve the Classification Plan for 2020-2021 by making changes and adjusting salaries according to the approved recommendations of the County Manager and Department Heads. The hourly rate for County Attorney services is set at \$150 per hour.

SECTION 44. Copies of this Budget Ordinance shall be furnished to the Finance Officer, Budget Officer and the Tax Administrator of Surry County to be kept on file by them for their direction in the collection of revenues and expenditures of amounts appropriated.

ADOPTED this the 15th day of June 2020.

Mr. Knopf presented an item on the appraisal of the Rawley Avenue properties in Mount Airy.

Chairman Johnson said he was very pleased with the thorough appraisal and suggested marketing the building and parking lot together for sale.

Commissioner Tucker recommended placing a "for sale" sign on the building and Commissioner Harris recommended putting ads in the Mount Airy News. Ed Woltz, County Attorney, said he'd be happy to show the property to any prospective buyers.

Mr. Woltz presented an item on recommended revisions to the Board Rules and Procedures. He incorporated new guidelines for Board meetings to function on a remote basis, even when not under a State of Emergency. Mr. Woltz also recommended for Board meetings to continue to be broadcast via YouTube, the County website or social media going forward.

Upon motion of Commissioner Goins, seconded by Commissioner Marion, the Board voted unanimously to approve the recommended revisions to the Board Rules and Procedures.

Upon motion of Commissioner Goins, seconded by Commissioner Tucker, the Board voted unanimously to amend the agenda to include a Coronavirus Relief Fund item from Mr. Knopf.

Mr. Knopf presented the Coronavirus Relief Fund item, stating all four municipalities in Surry County had agreed to interlocal agreements and funding has been or is soon to be dispersed.

Mr. Knopf advised that the NC Pandemic Response Office (NCPRO) is now providing guidance that PPE costs should be submitted to FEMA for reimbursement versus the previous guidance from NCPRO that CARES Act funds be used for PPE. NCPRO advises that CARES Act funds should be used to some extent for payroll reimbursements for public safety, public health, etc.; 100% of these payroll expenses are reimbursable.

Previously, Mr. Knopf recommended a \$430,000 allocation for PPE from CARES Act funding. Now that this should be shifted to FEMA reimbursements, the \$430,000 can be directed towards payroll reimbursements. Mr. Knopf recommends that we use law enforcement salaries as the reimbursable expense because these are 100% local funds, whereas other public safety and public health agencies have other funding other than local. Mr. Knopf advised that NCPRO guidance can change on a weekly basis so future updates to the Board may be necessary.

Mr. Knopf said the next Board meetings will be held July 20, 2020 and August 17, 2020.

In general County business, Chairman Johnson asked Commissioner Goins to perform more research on how the County can address the Galax Trail issue. Mr. Woltz said if the Mount Airy ETJ would not have been abolished, it would have prevented this type of nuisance. The Board discussed with Mr. Woltz his recommendation for the Galax Trail residents to evaluate a nuisance lawsuit against the problematic neighbor. Mr. Woltz said the nuisance lawsuit is the best option for the citizens to address the issue, but it is their decision whether to pursue.

Commissioner Marion thanked local law enforcement for their service during recent peaceful protests.

Upon motion of Commissioner Goins, seconded by Commissioner Marion, the Board unanimously approved to adjourn at 8:06 p.m.

Nathan Walls
Clerk to the Board
