

# WIC Clinic Announcement:

In order to better protect WIC families and to practice social distancing during #COVID19NC, the Surry County WIC Clinic will now be offering telephone visits!

## What do you need to know?

- Surry County WIC is still operating under normal business hours: Monday through Friday, 8:15am-5:00pm.
- WIC visits can now be completed by telephone. If you already have an appointment scheduled, WIC staff will reach out to you regarding this process.
- Curbside visits will be available for specific visits.

For more information or to schedule your appointment, please call (336) 401-8450, and be sure to 'Like' us on Surry County Health and Nutrition Center Facebook page.
